Dave's Italian Kitchen turns (turned) 37 in May. They say the more things change, the more they stay the same. I've never understood that but if it means that we're going to continue working at new and better ways of doing what we've always done, I'm all for it. That might not make much sense either; fortunately, we of Dave's Italian Kitchen are not here to philosophize. Suffice it to say that we'll just continue to have fun and cook great homemade food with fresh, quality ingredients. We make bread, sauces, ravioli, desserts, salad dressings, soup and so many other things right here. And because we prepare our entrees to your order, we thank you for understanding that such care can take time.
